Download PDF Effective Java (3rd Edition)

Effective Java is THE BOOK you want to read first when you start writing Java code professionally (for a living). In the style of Scott Meyer's C++ books, Joshua Bloch - the head behind several modern Java libraries - presents the essential tricks of the trade and best practises when it comes to Java programming.

Effective Java by Joshua Bloch - Goodreads

I still like Java, though my ardor has cooled a bit as the platform has grown. Given its increased size and complexity, the need for an up-to-date best-practices guide is all the more critical. With this third edition of Effective Java, I did my best to provide you with one. I hope this
