Whenever we ask our favorite recording engineer, John Lisiecki, about recording tech-niques and equipment, he always waves his hands in the air and says "you're jumping the gun! How you record something is secondary to what you're recording." In other words, the music is the most important thing. It's the centerpiece of your album, and

Project Management for Musicians

In some cases, management companies or record labels will pay for recording studio time. But often musicians front their own recording costs. If this is the case, try to negotiate a deal with the studio management that favors your particular project. If you're planning to record one or a couple of songs, paying by the hour might be the way to go.
